Please note that all accepted papers must be registered before the deadline. Otherwise, they will be deleted from the workshop proceedings and not included in the program. A registration covers one paper. It is obligatory for at least one author to register, attend the workshop, and present his/her accepted paper.

The workshop registration without accommodation covers attendance at the workshop (workshop sessions, keynote speakers), Coffee Breaks and Lunches. The registration for the workshop with accommodation additionally covers the night of 26 to 27 April in a double or triple room for juniors (PhD and master's students) and in a single room for seniors.
